How would you like to help save a child's life? Here's yet another opportunity knocking on your door.

When I think about the challenges faced by cancer-stricken children and their families, I feel so fortunate for the simple things in my life. And I am inspired by the difference we can all make through organizations like St. Jude Children's Research Hospital. By donating to St. Jude you can make a significant difference in the life of another.

Once again, I have signed up Team RxfortheSoul to participate in this year's St. Jude Walk/Run to End Childhood Cancer taking place on September 28, 2019. I invite you to join our team and/or donate. Thanks to your gracious donations last year, we were one of the top fundraising teams in Miami. Below is a picture of our group. We had such a nice time together! I hope you can join us, but more importantly, I hope you will donate. This is a great and important cause.

You know all those blessings in your life? Well, here's a chance to pay it forward. Answer this knock with me and make a meaningful difference, won't you? Go to our page to join and/or donate: Team RxfortheSoul and My St. Jude Page.
