

“Put your positive pants on.” – Billboard on I-20 between Midland and Abilene, Texas. Nothing like a good highway message for perspective.

Been traveling this week. Got a couple more national parks checked off our list and, more importantly, a much needed hug from my Lockheed space boy, Danny. Wow, talk about the value of a moment, and the richness of family time. Thankful beyond words.

Also, so grateful for my hubby (celebrating a bday tomorrow) who has driven us gazillion miles all over this amazing country all these years. Here's a quote just for him: "All he needed was a wheel in his hand and four on the road."-Jack Kerouac

Babe, happy birthday! May we celebrate many more. ❤

Friends and family: May the road rise to meet you, may the wind be always at your back, may the sun shine warm upon your face, may the rains fall soft upon your fields, and, until we meet again, may God hold you in the hollow of His hand.

What are you thankful for today?

Until next Thursday's post…si Dios quiere.
