

A special shout-out today to our triple-degree graduate. □□□ Congratulations, Danny! One more in your pocket, son. So very proud of you. □□

On a separate note, as we approach year's end, and I focus more on doing life in real-time and less on social media, the remaining Thankful Thursdays posts will be short, sweet and to the point…and, of course, all about gratitude.

For goals achieved, I am thankful.

What are you thankful for today?

Until next Thursday's post…si Dios quiere.

"You never know what's around the corner. It could be everything. Or it could be nothing. You keep putting one foot in front of the other, and then one day you look back and you've climbed a mountain."
-T. Hiddleston

"You may be the only person left who believes in you, but it's enough. It takes just one star to pierce a universe of darkness. Never give up."
-R. E.Goodrich
