

There is much concern with this drug and its possible medical side effects in later years. Aside from that, the Catholic view is one of worry in that the vaccine may give young girls the wrong message: not only is it “okay” to be sexually active, but now it is also safe! Undoubtedly, the ultimate responsibility will rest on us parents. Check out the linked article below.

The Dangers of Gardasil 7/10/08
www.catholic.org/national/national_story.php?id=28539
