

I wanted to take a minute to thank you for your calls, texts, and emails asking about Lauren while at the Leadership Retreat in New York. She and her classmates arrived home safe and sound on Saturday afternoon. They all said they had a wonderful experience and made a lot of friends.

I’d like to mention here in particular La Salle High School teachers Ms. Acosta and Ms. Shaw for the excellent job they did keeping our kids safe and seeing them through this week-long event. Taking on this mission with the time, planning and effort it entails, is no small feat, and I think I speak for the other parents when I say that they are both to be commended. Thank you to both of them so very much. : )

God bless.
