

If you have missed some of my emails or blog entries, you might have missed a laugh or two, a news article here and there, or maybe even one of my corny essays. If you have missed knowing me, for that matter, you have missed nothing. But if you have missed knowing my Lord and Savior, Jesus Christ, or His Father, you have missed everything in the world.

Don’t go another second without noticing. They are obviously visible in every sunrise and sunset, sometimes opaque in every person we love, or hate, but, indisputably, They are each and every breath we take.

Wishing all of you a blessed weekend.

How little people know who think that holiness is dull.
When one meets the real thing…it is irresistible.
If even 10 percent of the worlds population had it,
would not the whole world be…
~ C.S. Lewis
