The Relics of St. John Bosco, the patron saint of youth, are making a pilgrimage around the world to prepare for the celebration of the 200th Anniversary of the Saint's birth! Miami is one of nine privileged cites in the U.S. to be included in this pilgrimage, and Immaculata-La Salle High School has been chosen as a host site to venerate the Saint. This holy event will take place from Saturday, September 25th through the 27th. For general information, schedule, and planned youth events at La Salle, visit the links listed below.
