

For the gift of Faith...for without it I am lost in limbo.

It is what keeps me sane during trials and tribulations. In affliction and in happiness, in sickness and in health, it is what keeps my hope alive.

It is what helps me to be patient and trust in the will of God. It is what will save me.

You too have the gift of faith. Unwrap it today.

*Faith is like radar that sees through the fog.*

~ Corrie Ten Boom

*As your faith is strengthened you will find that there is no longer the need to have a sense of control, that things will flow as they will, and that you will flow with them, to your great delight and benefit.*

~ Emmanuel

~ Hem your blessings with thankfulness so they don't unravel.
