Had to share this. In this time of texts, posts, and e-mails, convenient as they are, nothing beats the feeling afforded by a phone call…or letter.

Let’s go retro and make more phone calls…and write more letters.

“A friendship can weather most things and thrive in thin soil; but it needs a little mulch of letters and phone calls and small, silly presents every so often – just to save it from drying out completely.”
~ Pam Brown

“If you were going to die soon and had only one phone call you could make, who would you call and what would you say? And why are you waiting?”
~ Stephen Levine
