

Dear family and friends – Just a quick note to let you know that after much encouragement and pressing from many of you, I took the plunge and got it done. A compilation of some of my essays just went live on Amazon. “Scenes Everlasting” can be downloaded for Kindle now. It will be available in print within the next two to three weeks. If you don’t have a Kindle e-reader, you can also download it through the Kindle app, which is available for most phones and/or computers.

More importantly, 100% of the profits for “Scenes Everlasting” are promised to charity, splitting these between Autism Speaks and St. Jude’s Children’s Research Hospital.

I thank you for your continued encouragement and support. Couldn’t have done this without you. With much love, Connie
