

Thankful for the freedom I celebrate this day, something that is only a dream for so many. Grateful to those who have fought to protect it every day since those initial shots were fired in a Massachusetts field long ago. Indebted to the two (mom and dad) who sacrificed everything to get me here.

And....for days off from work — always grateful for more time to spend with family and friends.

May your time off be safe and fun. Happy 4th!
