

Last Wednesday, I sent out the prayer request below. I am extremely happy to report that Javier's test results have come back negative, showing no signs of cancer. Praise the Lord! On behalf of Javier, his family, and all of us who know and love him, THANK YOU! Prayer prevails.

Asking for your prayers for my sister-in-law's nephew, Javier, who's like a nephew to us as well. He just had a sonogram, which results are of great concern. He's scheduled for a CT Scan next. Javier is a young husband and father. We would greatly appreciate your prayers for mercy. Thank you all. ♥

Sacred Heart of Jesus have mercy on us,
Saint Jude worker of Miracles, pray for us,
Saint Jude helper and keeper of the hopeless,
pray for us.
