

For every moment that we are safe in this crazy world we live in, thank You, God. Knowing that our lives can change between breaths, we shouldn't, we mustn't, take even a second for granted.

"How strange is the lot of us mortals Each of us is here for a brief sojourn for what purpose he knows not, though he senses it. But without deeper reflection one knows from daily life that one exists for other people."

~ A. Einstein
