

It’s a no brainer to me that this week’s thankful post expresses my gratitude for the opportunity I had last Thursday night to further promote my little book project, and do it in the presence of such amazing company. As the Books & Books manager wrote to me the day after, “You had a wonderful crowd. There was a lot of love in that room….” Yes indeed, and I felt it! ♥ So thankful.

“You may not remember the time you let me go first.
Or the time you dropped back to tell me it wasn’t that far to go.
Or the time you waited at the crossroads for me to catch up.
You may not remember any of those, but I do and this is what I have to say to you:
Today, no matter what it takes,
we ride home together.”
