

The world is falling apart around us. I'm grateful that I live here, with all its imperfections. I pray for all those who live and die amidst the ongoing chaos. God help them.

"And once the storm is over, you won't remember how you made it through, how you managed to survive. You won't even be sure, whether the storm is really over. But one thing is certain. When you come out of the storm, you won't be the same person who walked in. That's what this storm's all about." ~ *H. Murakami*

"Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion too  
Imagine all the people  
Living life in peace  
You may say that I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one"  
~*John Lennon*
