

The world is falling apart around us. I'm grateful that I live here, with all its imperfections. I pray for all those who live and die amidst the ongoing chaos. God help them.

"And once the storm is over, you won't remember how you made it through, how you managed to survive. You won't even be sure, whether the storm is really over. But one thing is certain. When you come out of the storm, you won't be the same person who walked in. That's what this storm's all about." ~ H. Murakami

"Imagine there's no countries It isn't hard to do Nothing to kill or die for And no religion too Imagine all the people Living life in peace You may say that I'm a dreamer But I'm not the only one I hope someday you'll join us And the world will be as one" ~John Lennon
