

27 years ago today (¡como ha llovido!), we embarked on this journey of ours. Oh what a ride! I pray for another equally rewarding (yes, the word is rewarding) 9,861 days; at least that many. So very thankful on this, our anniversary day. ☐

“Love is patient, love is kind.

It does not envy, it does not boast,
it is not proud. It does not dishonor others,
it is not self-seeking, it is not easily angered,
it keeps no record of wrongs. Love does not
delight in evil but rejoices with the truth.
It always protects, always trusts,
always hopes, always perseveres.”
~ 1 Corinthians 13:4-7

"It's so great to find that one special person you want to annoy for the rest of your life." ~
Rita Rudner

What are you thankful for today?
