

Me to my son this morning: "Today is Thankful Thursday, what are you thankful for?" Him: "I'm thankful for the money I made this week, and I'll be thankful if you write a post about me, and oh, I'm thankful for you, Mami."

Here's your post, Danny.

I'm thankful for you.

What are you thankful for today, friends?

"Life: Don't count the minutes, count your blessings."
