

For Godchildren – and the joy they bring. I am beyond honored. I am beyond fortunate. And I am beyond grateful for mine: Ralph, Gaby, Kimberly, and Kian. ❤️

The day I was asked  
if I would feel blessed  
to accept responsibility  
of a lifetime request.  
My heart was overwhelmed  
with a loving sensation,  
and I accepted this query  
without hesitation.  
Of loving you unconditionally  
and helping guide you through life,  
to show you the direction  
of spiritual light.

What are you thankful for today, friends?
