For each and every time God whispers to us re-directing our steps, and for each and every time He pushes us (when we don't listen) out of our comfort zone and into a new blessing. I tell you, He's never disappointed me. How 'bout you?

"I have faith that God will show you the answer. But you have to understand that sometimes it takes a while to be able to recognize what God wants you to do. That's how it often is. God's voice is usually nothing more than a whisper, and you have to listen very carefully to hear it. But other times, in those rarest of moments, the answer is obvious and rings as loud as a church bell."
–Nicholas Sparks, The Last Song

"I left … for as good a reason as I went there. Perhaps it seemed to me that I had several more lives to live and could not spare any more time for that one."
-Henry David Thoreau
