

Life is full of ups, downs, and crazy turnarounds, but I have a lot to be grateful for... because it could always be worse. And for that fact, today I'm thankful.

What are you thankful for?

*"Bad is never good until worse happens."*

*~Danish Proverb*

*"We turn to God for help when our foundations are shaking, only to learn that it is God who is shaking them."*

*~Charles C. West*
