

For the love, comfort, and support my children give me. They still search me out for that goodnight hug and kiss. A blessing at 23 and 20 (although sometimes I wonder if they're not 11 and 8 instead, as they've been running around the house lately blasting one another with Star Wars guns they recently picked up at Disney ... but whatever). 📧

*"To be in your children's memories tomorrow, You have to be in their lives today."*

*~B. Johnson*

*"Your children are the greatest gift God will give to you, and their souls the heaviest responsibility He will place in your hands. Take time with them, teach them to have faith in God. Be a person in whom they can have faith. When you are old, nothing else you've done will have mattered as much."*

~L. Wingate

“I don’t remember who said this, but there really are places in the heart you don’t even know exist until you love a child.” -

~A. Lamott
