

Thankful for the opportunities God puts before me to serve and to share my faith. And in no bigger way that's true than by teaching CCD. Looking forward to this term that just started. My friends, be on the lookout and stand ready to take advantage of your opportunities.

What are you thankful for today?

"I will prepare and some day my chance will come."
~A. Lincoln

"Though my work may be menial, though my contribution may be small, I can perform it with dignity and offer it with unselfishness. My talents may not be great, but I can use them to bless the lives of others.... The goodness of the world in which we live is the accumulated goodness of many small and seemingly inconsequential acts."
~G. Hinckley

"Miss no single opportunity of making some small sacrifice, here by a smiling look, there by a kindly word; always doing the smallest right and doing it all for love."
~Therese de Lisieux
