Thankful for candles. Around since B.C. They light a room, set a mood, celebrate a birthday, dedicate a prayer (us Cubans, we love to “encender una velita”). And in South Florida, where winter is…well, you know, sort of not, candles fill our homes with the scent and feel of holidays. ¡Dale, enciende esa velita!

P.S. Please folks, keep an eye on those candles! Safety first.

What are you thankful for today?

Thousands of candles can be lighted by a single candle,
and the life of the candle will not be shortened.
Happiness never decreases by being shared.
