

On this very special Thankful Thursday, as I write this post and reflect on my blessings, which are many, too many for words really, I have to say that what jumps at me right this minute are the faces of those who love and support me, and who give me their time, even from a distance (what's logistics to those who really love, right?). I am thankful for them, I am blessed, and I am happy to have them in my life yet another Thanksgiving. I love them so. ❤

This Thanksgiving, I wish all of you the same blessing, and many more.

What are you thankful for today?

"Our love should not be just words and talk; it must be true love, which shows itself in action." Relationships take time and effort, and the best way to spell love is "T-I-M-E."

*-R. Warren*

"Nothing carries meaning. People carry meaning. We are the porters of importance."

*-J. Kintz*

"I thank my God every time I remember you."

*-Philippians 3:1*
