

Oh my, the world is upside down! I am grateful for three things that are free, irreplaceable, and can last a lifetime: FAITH, HOPE, AND LOVE. If you have them, hang on to them for dear life, and please do share. If you don't, run, go find some right away! It may be our only chance. We must care a lot more.

Stay strong. Stand ready. Pray hard.

"To love means loving the unlovable. To forgive means pardoning the unpardonable. Faith means believing the unbelievable. Hope means hoping when everything seems hopeless."
-G.K. Chesterton

"And now these three remain: faith, hope and love. But the greatest of these is love."
-1 Corinthians 13

"The world is a dangerous place to live, not because of the people who are evil, but because of the people who don't do anything about it."
-A. Einstein
