

Grateful for fresh starts. Not just for this brand new year, but for every morning. God gives us 86,400 seconds every day. How will we use them? My friends and family, let's make them count!

"The chief beauty about time  
is that you cannot waste it in advance.  
The next year, the next day, the next hour are lying ready for you,  
as perfect, as unspoiled,  
as if you had never wasted or misapplied  
a single moment in all your life.  
You can turn over a new leaf every hour  
if you choose."
