

Today's Thankful Thursday (quotes and all) is guest-posted by Jose (Ray) Perez:
"As another year of the Great American Race comes to a close, it's a reminder that, like most things in life, it's just the beginning of another season. Every year Danny and I pilgrimage to the Holy Land of NASCAR, the Daytona 500, to spend time together. Last year I was blessed to spend one-on-one time with my daughter Lauren when she was doing her Disney College Internship Program whenever I traveled for business to Orlando. These, as many other times shared with my children, are moments in time that I will never forget. But as they both get older, I realize that soon it will be time to let go and continue my journey with my Connie, as we have been for over 28 wonderful years. And for all of this, I'm very thankful." – Ray
