Thankful for breaks and 24/7 time together — me and my fave three. Still under the same roof, but so busy with everyday life, it's hard to catch our breath. So the time off is always welcome. This time again a blast was had, photos were taken, precious time was shared, and now home sweet home awaits. Very grateful for the opportunity to create new travel memories with my gang. Priceless.

What are you thankful for today?

"A life-long blessing for children is to fill them with warm memories of times together. Happy memories become treasures in the heart to pull out on the tough days of adulthood."
-C. Kasl

"A road trip is a way for the whole family to spend time together and annoy each other in interesting new places."
-T. Lichtenheld
