

Thankful for silly, pee-in-your-pants moments. The ones that make your stomach hurt afterwards. That was us four this week, fooling around with that Snapchat face swap wacky app. Hilarious! I saved the pics and videos (I'll spare you though). They make me laugh every time. Unsettling world my friends; laughter is welcome. ?

Wishing all of you many goofy moments.

What are you thankful for today?

"It's okay to be absurd, ridiculous, and downright irrational at times; silliness is sweet syrup that helps us swallow the bitter pills of life."
–R.E. Goodrich

"Laughter is the shortest distance between two people."
–Victor Borge
