

Thankful for others' good times. None of us is immune to adversity; be it financial, relationship, job, or health related. We all have our share of hardships and, fortunately, we have each other when it counts the most. My prayer list for those in need grows by the week, it seems. Which is why I love hearing about or seeing others, friends and family especially, enjoying themselves. Sharing good news, accomplishments, and fun times.

Life is short and I'm thankful when I see others enjoying the ride. Please practice the act of sharing happiness! ?

*"Happiness is the only thing that multiplies when you share it."
