

I won't bore you with my week's events, but I will tell you that God's timely intersections are engineered to show us that He's got our backs. I am so thankful for these divine serendipitous moments. He's got MY attention.

Are you faith-filled enough to see the God-arranged moments in your life?

"The heart of man plans his way, but the LORD establishes his steps."
– Proverbs 16:9

"Whether we name divine presence synchronicity, serendipity, or graced moment matters little. What matters is the reality that our hearts have been understood. Nothing is as real as a healthy dose of magic which restores our spirits."
-N. Long

"God will bring the right person into your life at the right time. Always believe that! If they are not there, God isn't finished yet!"
-S.L. Alder
