

Sometimes a gift is so big and so special, it's enough to fill your heart with a lifetime of love. So thankful for this precious blessing we received 21 years ago today. So proud of the young man he's become. May God bless our Danny with many more healthy and happy years. We love you, Daniel Christian Perez! ♥

"There is more to a boy than what his mother sees. There is more to a boy than what his father dreams. Inside every boy lies a heart that beats. And sometimes it screams, refusing to take defeat. And sometimes his father's dreams aren't big enough, and sometimes his mother's vision isn't long enough. And sometimes the boy has to dream his own dreams and break through the clouds with his own sunbeams."

"A birthday is a very big thing. It should be big from the minute you wake up. It should be such a big thing—all day long—that you fall down into sleep that night all worn out from so much bigness."
-C. R. Hyde
