

For time with each other. I'm very grateful to be able to fill a list of things for which to be thankful, and I'm sure you are too. But I'm also certain that this holiday season, and every day, what we end up thanking God for the most, really, is the time we have with each other. There's nothing better.

Wishing all of you a very blessed Thanksgiving Day in the company of those you love. ❤️

*"Not what we say about our blessings, but how we use them, is the true measure of our thanksgiving."*
