

For good medical reports! Phew! That’s all I’m going to say ’bout that.

We know not all the money, possessions, success, etc., is worth a hoot without health. And even though we know, we spend the least amount of time on what matters most…almost as if we were immortal and had forever.

Thanks for all your prayers and good thoughts.  Stay focused, my friends.

What are you thankful for today?

“Look to your health; and if you have it, praise God and value it next to conscience; for health is the second blessing that we mortals are capable of, a blessing money can’t buy.”
*-Izaak Walton*
