

For the blessing of being able to bring to fruition a miracle, that of bringing life into the world — to protect it, to respect it. Nothing else has ever made me feel more aware of God. I cannot for one instance imagine life without Danny and Lauren. Their lives were a choice. Whatever choice you make makes you. Choose wisely.

What are you thankful for today?

"Making a decision to have a child–it's momentous. It is to decide forever to have your heart go walking around outside your body."
-E. Stone

"You created every part of me; You knit me together in my mother's womb. When my bones were being formed, carefully put together in my mother's womb, when I was growing there in secret, You knew that I was there – You saw me before I was born. The days allotted to me had all been recorded in Your book, before any of them ever began."
– Psalm 139:13-16

"I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference."
-Robert Frost
