

That we will hug again. Remembering my sister today on her birthday. Gone too soon. The best thing about having her, was that I always knew I had a friend, no matter what. The best thing about missing her, is that I know we will hug again. And for that, I am thankful.

Who do you miss? And what are you thankful for today?

"I thought of you today, but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in frame. Your memory is a keepsake, from which I will never part. God has you in his arms. I have you in my heart."

"If you have a sister and she dies, do you stop saying you have one? Or are you always a sister, even when the other half of the equation is gone?"

*-Jodi Picoult*

"I would like more sisters, that the taking out of one, might not leave such stillness.."

*-Emily Dickinson*
