

For helping hands. It's been heartbreaking seeing the images coming out of Texas this week. Harvey surely made its presence known. But it's been heartwarming to see so many people reach out to help those in need. That's the spirit, planet Earth!

Lots of prayers going out to all the victims. And many thanks to all those helping out.

What are you thankful for today?

"It is the greatest of all mistakes to do nothing because you can only do little — do what you can."

-S. Smith

"Do not wait for leaders; do it alone, person to person."

-Mother Teresa

"How you treat:

-the mailman

-the cashier

-the garbage man

-the usher

-the custodian

-the receptionist

-the uber driver

says A LOT about you."

-G. Kent
