

Feeling very fortunate after that mad storm! We still don't have power and the inconveniences have been many, but we are safe and sound. Neighbors, family, and friends, all coming together to lend a helping hand. How awesome to experience that.

Our hearts and prayers go out to all those who were not as fortunate. The road ahead will be tough, but God will give them strength.

We are very grateful to our kids for their help with the clean-up, which has been quite a project, and also with taking care of their Abuela. Perez Team rocks!

Stay strong, Floridians!

What are you thankful for today?

"One of the most important things you can do on this earth is to let people know they are not alone."
