

For those days when my brave is on. Not only during the sorrows that test my strength, but also in the little moments that test my character. Those moments, for example, when laziness, stubbornness, or pride attempt to get the best of me. Because, sometimes, as we know, it takes a bit of courage to tackle the simple stuff and turn the ordinary into extraordinary. Our reactions during everyday moments define us, and so for those days when I dare to be better, I am thankful.

C'mon, get your brave on!

Until next Thursday's post...si Dios quiere.

What are you thankful for today?

"When a new day begins, dare to smile gratefully.
When there is darkness, dare to be the first to shine a light.
When there is injustice, dare to be the first to condemn it.
When something seems difficult, dare to do it anyway.
When life seems to beat you down, dare to fight back.
When there seems to be no hope, dare to find some.
When you're feeling tired, dare to keep going.
When times are tough, dare to be tougher.
When love hurts you, dare to love again.
When someone is hurting, dare to help them heal.
When another is lost, dare to help them find the way.
When a friend falls, dare to be the first to extend a hand.
When you cross paths with another, dare to make them smile.
When you feel great, dare to help someone else feel great too.
When the day has ended, dare to feel as you've done your best.
Dare to be the best you can -
At all times, Dare to be!"
