

For healing. Being sick really sucks! I know a bunch of people, directly and indirectly, who are dealing with some type of illness or injury right now; some of them family, some of them friends. My heart breaks every time I hear about one of them. Suffering does not discriminate, and it seems like almost every day I add someone new to my prayer list, regardless of age. Fortunately, some of these individuals are on the road to recovery, and I am truly grateful for that. But, for others, the struggle continues.

Today, I ask you to put your faith in motion and join me in praying for those who are suffering from a health condition, that our gracious Lord's gifts of strength, courage, and healing be with them.

Until next Thursday's post...si Dios quiere.

What are you thankful for today?

"And the prayer of faith will save the one who is sick, and the Lord will raise him up."

-James 5:15

"If you have health, you probably will be happy, and if you have health and happiness, you have all the wealth you need, even if it is not all you want."

-E. Hubbard

"The most important thing in illness is never to lose heart."

-N. Lenin
