

Grateful for others' joys.

We all know how bad life can suck at times, and that none of us is exempt. Much of my daily prayers are said for friends and family who are going through a rough patch, be it health reasons or financial burdens, or workplace challenges, you name it. So when I hear about, or I see their photos of good times as I scroll through social media, I can't help but smile and be happy for them. There's enough sadness and hard times around us, and it's incredibly refreshing to see others' joys. And for that, I'm thankful.

Be happy for others. ☐

Until next Thursday's post...si Dios quiere.

What are you thankful for today?

*"Rejoice with those who rejoice; mourn with those who mourn.*

*-Romans 12:15*

*"Life is like a camera. Focus on what's important. Capture the good times. And if things don't work out, just take another shot."*

*-Z.K. Abselnour*
