

For angels. Some show up at the right place and the right time to help us in some way, and then disappear never to be seen again. Some, we can't see, but we feel guiding us and protecting us.

These divine messengers watch over us day in day out. I like the thought of that. What an incredibly thoughtful and merciful idea that was, Lord. Thank You!

What are you thankful for today?

Until next Thursday's post...si Dios quiere.

"When our mortal eyes close on this world for the last time, our angels open our spiritual eyes and escort us personally before the face of God."

"The unlikeliest people harbor halos beneath their hats."

"These things I wish for you; someone to love, some work to do, a bit o' sun, a bit o' cheer and, a Guardian Angel always near."
