

For words that matter.

“Can I have a mommy hug?” – Best words ever said to a mother. Especially by an adult child. Some words are just good for my soul.

We utter so many words throughout the day. Shouldn't some of them be good for someone's soul?

For words that matter, today and always, I am thankful.

What words matter to you? And what are you thankful for today?

Until next Thursday's post...si Dios quiere.
