

For employment in the time of Corona.

Yesterday during our weekly office web meeting many of us expressed how grateful we feel to be employed during these challenging times. Most of us know people who have lost their jobs and are struggling to make ends meet. It's gotta be tough, and we pray for them.

So I've said it before and I'll say it again. Every morning when I log in and connect to my office, I say "Thank You Lord! And thank you, White & Case, for having our backs." I am grateful for the chance to be part of this company and to work with such a great group of people.

For employment in the time of Corona, I feel so very blessed.

What are your thankful for today?

Until next Thursday's post...si Dios quiere.
