

Back to the grind. My reflection for the first post of the year is short, sweet and to the point: I'm still breathing. And for that, I am thankful.

It's a brand new year (although it may not feel like it). Let's be hopeful, people, but above all, let's be grateful. Looking forward to our Thankful Thursdays together. Thank you for your readership, support and encouragement.

What are you thankful for today?

Until next Thursday's post...si Dios quiere.

"Hope smiles from the threshold of the year to come, whispering 'it will be happier'..."

-A. Tennyson

"Be like a tree. Stay grounded. Connect with your roots. Turn over a new leaf. Bend before you break. Enjoy your unique natural beauty. Keep growing.

-J. Raptis
