

Recently, I was the recipient of a number of prescriptions. A good thing because no matter how high a tolerance one has for pain, there's always that type that will have you speaking in tongues. Anyway, yes, I am thankful for drugs.

Today though, I wanted to send your way a different kind of prescription. One I keep very handy and has unlimited refills. I am thankful for this drug the most. Without it, nothing, but nothing is bearable.

Friends and family, today make the decision to believe. Take a dose of Faith (or two)...and call me in the morning.

Today's Rx:

Rx: Faith

Qty: Infinite amount

Sig.: Take ASAP, then daily forever.

Refills: Unlimited

Important Information: May cause a great deal of courage, peace and hope.
