

A fill-in-the-blanks for you to ponder on today.

We know we are capable of enduring much more than we think we can. After all, we've all had our share of this that and the other, and here we are. But some stuff really packs a punch, you know? On that note, fill in these blanks:

I wouldn't want to live without _____ because _____.

Here's what I'm thinking:

- Family, because they hold my heart.
- Hope, because it gives meaning to my life.
- Faith, because it fuels my hope.
- Memories, because they keep my loved ones alive.
- Cafecito (ha ha, no, for real), besides its taste, because tradition runs thru my veins.

Care to share your thoughts? And what are you thankful for today?

More thought-provoking morning exercises are in the horizon. ? Have a great day! Until next Thursday's post...si Dios quiere.

How can one not ponder in a place like this?

*"It is only with the heart that one can see rightly; what is essential is invisible to the eye."
-Antoine de Saint-Exupery*

*"Hope is the thing with feathers
That perches in the soul,
And sings the tune without the words,
And never stops at all."
-Emily Dickinson*
