

I never met a sunset I didn’t like. Here’s advice from one:

Be amazing
Keep your inner fire burning
Have a glow about yourself
Be present
Savor special moments
Close the day with beauty
Thank God for another day!

May you have many sunsets in your life. For every one of mine, I am thankful.

“It’s almost impossible to watch a sunset and not feel gratitude.”
-Me

Clouds come floating into my life, no longer to carry rain or usher storm, but to add color to my sunset sky.
-R. Tagore
