

May the 4th be with you! Today, Star Wars fans everywhere use this greeting to celebrate this epic saga of good versus evil. For me, though, this pun sparks an immediate reminder of a different kind of force – the grace, mercy, and love of God and the power of the Holy Spirit. That Force. The omnipresence that surrounds us and penetrates our hearts, and allows believers everywhere to strive, to forgive, to hope.

It is for that Force, I am forever grateful.

So, Star Wars fans, May the 4th be with you! And with us all, always may the Force ✝ be!

What are you thankful for today?

Until next Thursday's post…si Dios quiere.

"And remember, I am with you always, to the end of the age."
-Matthew 28:20

"Close your eyes. Feel it. The light…it's always been there. It will guide you."
–Maz Kanata, Star Wars: Episode VII – The Force Awakens
